Marine Mammal Inventory Report Codes

General Information

- Each Person/Holder/Facility is assigned a PHF number.
- “Active” holders have live animals on their current inventory.

Identification Number

- Each marine mammal is assigned a unique Identification Number:

NOA - U.S.¹
FOR - Foreign
UNK - Unknown²

Origin

C - Captive Birth
W - Wild Capture
B - Beached/Stranded
U - Unknown

Purpose

P - Public Display
S - Scientific Research
E - Enhancement
R - Rehabilitation

Source

C - Captive Birth
T - Transfer
I - Import
B - Beached/Stranded
W - Wild Capture
O - Other

Disposition

D - Dead
T - Transported/Transferred
R - Released

¹ - Including marine mammals exported from the U.S. and held by foreign holders, and the progeny of such U.S. origin marine mammals.

² - Marine mammals listed as transferred to another holder, and for which a corresponding inventory record has not been found/confirmed.
